## YEAR 4 EXCURSION – Term 2 CAMP Berry

Dear Parents,

15/2/18

Our Year 4 camp is coming up quickly and we are really looking forward to the new experiences camp brings! The proposed dates for camp are 16<sup>th</sup>-18<sup>th</sup> May 2018.

The **approximate** cost for camp this year is at \$380. This covers the cost of the camp activities and instruction, meals, accommodation and coaches for three full days and two nights. This cost may vary slightly.

Going to camp is a great opportunity for students. It gives them opportunities to develop independence, interdependence, build resilience and experience new opportunities outside of their family setting. The program we are hoping to attend at Berry this year is the ROAR program (Relationships, Outdoors, Action, Resilience) run for primary school students.

Cooperation and team work are instilled into the students as an integral part of the program. Participation in the camp therefore requires a high degree of cooperative and responsible behaviour from all students.

Thank you for the positive response to our original expression of interest notes. **To secure our school's position at camp we require the deposit of \$100 by Thursday 1<sup>st</sup> March. This amount will confirm your child's place and commitment to camp.** Feel free to visit the front office for payment plans regarding payment options if necessary.

**For camp to go ahead we need a minimum of 57 students participating. If we do not receive enough interest, unfortunately camp will not proceed for 2018.**

Thanks

Allyson Gunning and Mallory Williams
