**K-2 Excursion to Llewellyn Hall, ANU School of Music
Noteworthy Primary – The Maestro and the Magician
Wednesday 26th July 2017**

We have been fortunate in securing a booking with the *Noteworthy* Program (www.cso.org.au) 'The Maestro and the Magician' performance. The performance is presented by the Canberra Symphony Orchestra (CSO) and introduces children to the joys of live classical music. The audience is introduced to the sounds and instruments of the orchestra. During and after the performance children are encouraged to interact with and ask questions of the musicians.

All students in K – Year 2 may attend the performance. All teachers of these classes, along with Mich Allen and Kirrilee Turner will be accompanying the students.

This is just a warning information note to let you know that this excursion is coming up in week 2 of next term.

A full permission note will be coming home on Monday 17 July – first day of next term. The cost will be covered by the P & C, which covers bus travel to and from Llewellyn Hall.

Thank you, Kirrilee Turner
