

# Google for Education

Have you been signing forms giving your children permission to use the G Suite for Education and not known what it's about?

Have you heard about the school purchasing Chrome Books for the students and wondered what they are?

Have your kids been logging in at home with their own email address?

Did your kids share with you their Google Classroom at Learning Journeys?

Come along to the library next Tuesday night to have a play with Google Docs on the Chrome books and find out what is going on!!

We'll have teachers there to explain the direction the Education Directorate is heading in and to show you how to stay one step ahead of your kids!!

**WHAT:** Google Docs on the Chrome Books for Parents

**WHERE:** Torrens Library

**WHEN:** Tuesday June 6<sup>th</sup> 6.30pm-8pm

**WHAT TO BRING:** If your child knows their log on and password, bring that along. Your children are welcome to come with you - but don't let them take over!!
