## What is a SUPA Club?

- A SUPA Club (Scripture Union Primary Age) provides a safe and welcoming place for all students and gives them the chance to investigate Christian beliefs.
- SUPA Clubs operate in public primary schools throughout Australia and are run by Scripture Union (SU). SU has been working in ACT schools for over 40 years and also runs holiday programs, camps and community activities. SU ACT is a Christian organisation that unites a wide range of Christian churches to work together.
- SUPA Clubs operate in schools during lunchtimes or after school with the permission of the principal and they are staffed by volunteers from local churches.
- SUPA Clubs are safe and welcoming to all students regardless of their beliefs and background. No Christian belief is required or assumed.

## What happens at SUPA Club?

- SUPA Clubs are fun and interactive. Students explore the bible through games, craft, stories and videos. There are plenty of opportunities to make new friends and have the occasional treat.

## What is the purpose of SUPA Club?

- To provide a friendly, fun, inclusive & safe club atmosphere in which kids build meaningful relationships.
- To provide the opportunity to learn about who Jesus is, what the bible says and what Christians believe in an age-appropriate manner. The curriculum is available should any parent/carer request to know more about what their children are learning. Scripture Union programs do not focus on controversial issues of faith and work to promote harmony.
- To provide opportunities for kids to learn to help and care for each other, and develop leadership and team skills.

## Who are the leaders?

- The leaders are all members of local churches who believe that everyone should have the opportunity to investigate Christianity for themselves.
- Scripture Union ACT oversees the running of the club. All volunteers are required to complete a strict screening process, which includes a Working with Vulnerable People card, two referees and ChildSafe training.

## Do children need permission to attend SUPA Club?

- Yes. Children must have permission from a parent or guardian before they are allowed to attend.
- Bring the attached note to school, either to the front office or SUPA Club on the day if you give your child/children permission to attend.
- This permission will be valid for the duration of the student's time at Torrens Primary School. If a parent or guardian no longer wants their child to attend SUPA Club, please contact the school.
